## RECYCLE YOUR RAIN WATER

An easy way to water your garden for free is by collecting rainwater in a water butt.

Save money this year on your water bills. Each one holds up to 210 litres of water which you can use around your garden. Rainwater is rich in nutrients, so your plants will love it too. Our featured water butt kits contain everything you need to get started.

### 210L Waterbutt Set

D59043

# DIRECT TO YOUR CUSTOMERS

Distribution couldn't be simpler using Royal Mail's trusted Door to Door service. We know that this is the most reliable and efficient way of reaching potential customers in your area.

We'll help you get started and identify your target customers, you can choose your area by postcode or distance from your store. We can then advise you of the potential reach and total distribution costs.

We plan and organise the distribution for your brochures. Once printed we deliver them to your local Royal Mail centre ready for the agreed distribution date.

The Royal Mail statistics say

**92%**

of people read the door drops delivered to their home.<sup>1</sup>

**67%**

of people were prompted to make a purchase as a result of receiving a door drop.<sup>1</sup>
